8-Channel CCTV Surveillance Kit

The Conceptronic CCTV Surveillance Kit offers an ideal way to securely monitor a house or business. With four cameras focused on different areas, all access points to the front, rear and sides of the property will be covered. All eight channels can easily be monitored from any PC, laptop, tablet or smartphone using the free software provided. Cameras all conform to Weatherproof standard IP65, and operate in temperatures from -10°C to 50°C. Built-in infrared LEDs support night monitoring for distances up to 15 metres, providing peace-of-mind twenty-four hours a day. The quality cameras also offer full-screen, high resolution recording and playback, and recording your data is made easy and efficient with a high compression rate and up to 2 TB of disk capacity. Everything you need for safe, secure surveillance of your home or business.

Highlights

> 4 x 1/3.7" CMOS 480TVL Day/Night Outdoor Cameras with an 8-CH Digital Video Recorder included
> One 2.5"/3.5" disk slot supports storage capacity of up to 2TB
> Built-in infrared LEDs for night viewing up to 15m
> Weatherproof IP65-rated
> Wide operating temperature range (-10°C to 50°C)
> D1 real time, full screen, high resolution recording
> H.264 compression for efficient data transfer and storage
> Built-in USB port for backup, firmware upgrade and mouse
> Supports VGA, HDMI output
> Supports iPhone/Android/Blackberry remote viewing over the Internet
